COLLEGE OF MOUNT SAINT VINCENT

- I have already named the College of Mount Saint Vincent in my will or established a planned gift to benefit the College.
- I authorize the College to include my name in public listings of Centennial Society members.
- I prefer to be listed as an anonymous member of the Centennial Society in all materials.

Of course I know that I always have the option to change my mind.

- I intend to provide a long-term gift for the College of Mount Saint Vincent in my estate plan and will advise when this has been done.
- Please contact me about my will/my estate plan/planned giving.
