

# CMSV Brain Games

## *Week 6*

Greetings!

During this uncertain time, we are all finding unique ways to keep busy!

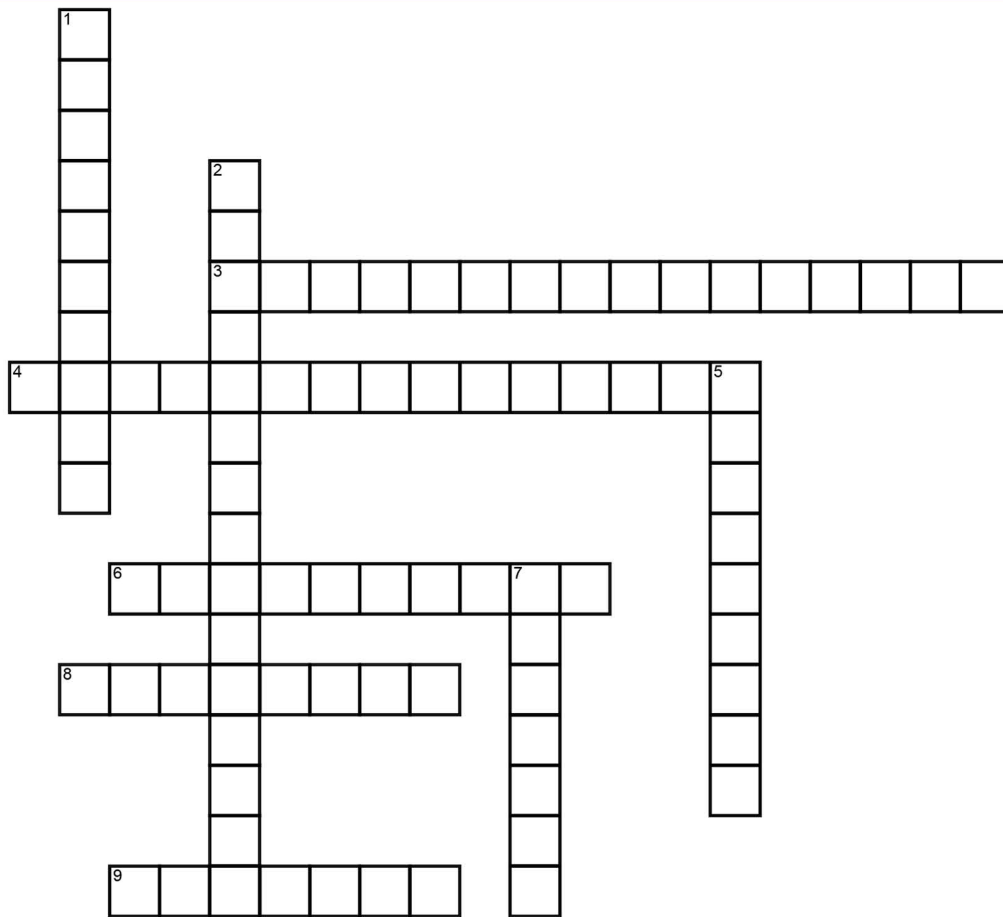

Who doesn't love a fun puzzle? We have created a weekly game pack that will be released every Monday! You'll receive a crossword puzzle, word search, and an unscamble the words game each week.

You can find the current week's puzzles and all the past puzzle packs at [mountsaintvincent.edu/games](http://mountsaintvincent.edu/games).

We hope you enjoy!

**Across**

- 3 The Department of \_\_\_\_\_ prepares educators who are passionate about their profession, who are committed to creating a caring and nurturing teaching environment for all students, who demonstrate commitment to the idea that every student has the right and ability to learn,
- 4 The Department of \_\_\_\_\_ and Literatures offers programs of study in a variety of languages, literatures, and cultures.
- 6 The Department of \_\_\_\_\_, Business, and Economics is a student-centered learning community dedicated to preparing undergraduate and graduate students for employment or advanced study in economics or business.
- 8 \_\_\_\_\_ students work one-on-one with professional artists and art history professors, learning valuable skills that enhance their ability to solve problems visually, conduct research, develop a creative process, and hone a professional work ethic.
- 9 The Department of \_\_\_\_\_ provides students with an opportunity to learn how past events have shaped the world in which we live, and how different cultural, political, religious, and social groups have formed and interacted, from the ancient world to the present.

**Down**

- 1 \_\_\_\_\_ majors develop an understanding of human behavior and valuable skills in critical thinking, problem solving, communication, & information literacy.
- 2 Students completing an undergraduate degree in the \_\_\_\_\_ will be able to demonstrate an understanding of the basic concepts of biology, biochemistry, chemistry, and physics.
- 5 The Department of \_\_\_\_\_, through its curriculum of courses and faculty support, prepares students to think critically about issues of social life experience, to develop the ability to interpret and evaluate data and information in orderly fashion, and to employ a focused approach to listening, oral communication, observing, and critical, analytic writing.
- 7 Our largest major at CMSV is \_\_\_\_\_.
